

Announcing MOTOTRBO Remote Mount Adaptor Kit

We are very pleased to announce availability of the MOTOTRBO Remote Mount Adaptor Kit. This kit provides greater flexibility and security for in-vehicle installation of mobile radios by allowing the control head to be located separately from the body of the radio.

Each kit contains:

- Remote control head interface • Dismantling tool
- Remote transceiver interface • Wing screw (x2)
- Trunnion bracket • Mounting screws (x4)
- Installation Guide

Connection cables are also required and are available separately in 3 & 5 metre Lengths.
